## **Abstract**

This paper is the only paper the American economy needs.  
In this paper, I describe the only sentence the American economy needs.  
The paper ends with "The End"

## **Introduction**

Because the inflation risk premium in US Treasuries is negative,  
the American economy is only one step away from narak.  
In this paper, I describe the only sentence the American economy needs.

## **The only sentence the American economy needs**

"Americans ought to withdraw all USA dollars from circulation,  
issue new USA dollars and return back to Hinduism."

## **The End**
