

# Narendra Damodardas Modi

## **EXPOSED!**

Soumadeep Ghosh

Kolkata, India

### **Abstract**

In this paper, I describe how Narendra Modi has been EXPOSED!  
The paper ends with "The End"

## **1 Introduction**

Narendra Modi is **politically finished** as he has caused and overseen the **GENOCIDE** of peoples of many faiths - Muslims, Buddhists, Sikhs, Christians and even Hindus - all over Gujarat, Delhi, across India and even abroad.

## **2 Supporting statistics**

### **GDP per capita (PPP)**

The Manmohan Singh administration (2004-2014) achieved substantially higher growth rates in GDP per capita (PPP) terms. During this ten-year period, India's GDP per capita increased from \$2,104 to \$4,308, representing a total growth of 104.8 percent and a compound annual growth rate of 7.43 percent. The administration delivered an average annual increase of \$220 per capita.

The Narendra Modi administration (2015-2024) demonstrated lower growth rates despite starting from a higher base. GDP per capita increased from \$4,590 to \$7,543, representing total growth of 64.3 percent and a compound annual growth rate of 5.67 percent. While the absolute annual increase averaged \$328, this represented a 1.75 percentage point reduction in the compound annual growth rate compared to the previous administration.

### **Death rates**

The Manmohan Singh administration achieved a reduction in crude death rates from 8.1 to 7.0 deaths per thousand population between 2004 and 2014, representing a total decline of 1.1 deaths per thousand and a 13.6 percent improvement. This substantial reduction occurred consistently throughout the decade, indicating sustained improvement in population health outcomes.

The Narendra Modi administration recorded a more modest reduction from 6.9 to 6.6 deaths per thousand population between 2015 and 2024, representing a decline of only 0.3 deaths per thousand and a 4.3 percent improvement. However, this period was significantly disrupted by the COVID-19 pandemic, which caused mortality rates to spike to 7.8 per thousand in 2021, the highest level recorded since 2008.

### **3 Supporting political allegations**

#### **3.1 Allegations of ELECTORAL FRAUD**

The Aam Aadmi Party has broadcast a nationwide video of the fake academic certificates of Narendra Modi in so-called "Entire Politics", a degree nobody else in India neither has nor has heard of, but which Modi claimed he had in his affidavit to contest elections in India.

#### **3.2 Allegations of TREASON**

The Indian National Congress Party has broadcast a worldwide video of the Leader of the Opposition Rahul Gandhi summarizing, "There's only one word for what Narendra Modi has done - TREASON".

### **4 Conclusion**

It's best to conclude this paper in Hindi for Narendra Modi and his biggest fans:

नरेंद्र (दामोदरदास?) मोदी, तुम से ना हो पायेगा।

**The End**
