4 statistical solutions to population

Soumadeep Ghosh

Kolkata, India

Abstract

In this paper, I describe 4 statistical solutions to population.
The paper ends with "The End"

Introduction

Contrary to popular belief, 4 statistical solutions to population exist.
In this paper, I describe 4 statistical solutions to population.

4 statistical solutions to population

1.
$$a = 314, b = 91, c = 14, d = 2, \mu = \frac{421}{4}, \sigma = \frac{\sqrt{83689}}{2}$$

2.
$$a = 314, b = 2, c = 2, d = 2, \mu = 80, \sigma = 156$$

3.
$$a = 314, b = 2, c = 80, d = 2, \mu = \frac{199}{2}, \sigma = 13\sqrt{129}$$

4.
$$a = 261, b = 81, c = 2, d = 2, \mu = \frac{173}{2}, \sigma = \sqrt{\frac{44761}{3}}$$
